Nancy,

Thank you for reviewing. I am going to now upload the documents to FOIAonline, and Larry Gottesman will then be notified that there is a set awaiting the final agency awareness review. Please let Liz know of the issues covered.

Subject: RE: OAR FINAL FOIA Awareness Review: Third Production Set for FOIA EPA-HQ-2017-008391

All,

I am circulating for OAR final awareness review, responsive documents to a FOIA request from EDF, FOIA EPA-HQ-2017-003545. This is the first production set of email records for this request. The FOIA is in regards to the GHG endangerment finding and authority, Social Cost of Carbon and Methane, and OAR staffing levels. Please see the attached document for more details. Most of the documents in this set are responsive to the endangerment portion of the

request.

Ex. 5 - Deliberative Process

Please [review this PDF](#) (click link) by **COB on Friday, November 24**. We plan to release the documents on Monday, November 27.

Note: No documents were found to be responsive to Part 6 of the request (see attachment).

Please let me know if you have any questions.

Thank you,

Jonathan Lubetsky
